REACH Declaration

Adder Technology is aware of the European REACH directive governing the use of chemical substances. Adder is committed to complying with the requirements of REACH and our legal obligations as a manufacturer of articles.

The European Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) came into force in June 2007.

As a manufacturer of products categorised as articles within the REACH regulations we have reviewed our products and can confirm that all of our products comply with the regulations and do not require registration.

None of the articles that we supply release chemicals as defined in Article 7 of the regulations. Nor do they contain Substances of Very High Concern (SVHC), as defined in Article 57, at a concentration above 0.1%.

If you have any questions or require further information please contact:
